Recall of Reservists

25X1

1. No reservists from Petrich have been recalled for training during 1955. Reservists had been recalled at about the same time during 1954.

Amnesties

25X1

2. There are no more arrests being made for political reasons in Bulgaria. Those who were interned are now back in their homes, are free to work their land, and are satisfied.

State Meat and Milk Deliveries

25X1

3. The state delivery quotas are very heavy and hence are the most hated aspect of Bulgarian life. The quotas are collected with the same persistence as before, but lately more and more farmers refused or partly refused to deliver their produce to the state.
